## ROASTS ROOSEVELT

Chancellor Day Hands Out Some Caustic Remarks.

### "LIVING UNDER A MONARCHY"

Cocky Old Clergyman Don't Like the President's Way of Stepping on the Toes of Standard Oil and Other High-binder Corporations.

WASHINGTON, Nov. 8.—All political Washington, which means pretty nearly all of the capital city that is worth considering, has been sitting up for the past two nights reading a book that made its appearance at the bookstores here unheralded a couple of days ago. It has been noticed that even the White House electric lights were lighted later than usual and it is suspected that some member of the Roosevelt family may have been looking over the volume that has caused so much discussion.

It is not because of its literary qualities that the book has been seized upon so eagerly, but because of its title, "The Raid on Prosperity," and the fact that it contains one of the most bitter attacks upon the policies and acts of the administration that was ever made upon any Chief Magistrate. The author is Chancellor Day of Syracuse University who some months ago attracted considerable attention, most of it complimentary, by his public defense of the Standard Oil Company. Though a minister and consequently an apostle of peace, Dr. Day does not mince his words, but throws some verbal brickbats in the direction of the White House that probably would result in his spending a season in jail if President Roosevelt were possessed of the power of his distinguished friend Emperor William or if less majesty were an offense recognized by the American law. From Chancellor Day's point of view apparently, it would not be a surprising thing if such a law were promulgated, for he declares in his book that "for many months we have been living under a monarchy in everything but the name."

A few of Dr. Day's remarks will show the kind of hot shot that he pours out on almost every page. "With the type of statesman of Lincoln, Harrison, Cleveland and McKinley," he says, "we should have nothing to fear. With the present agitative and eruptive administration and with the chief voices of the other political party echoing the safe ranting about the tyranny of capitalists, we may expect a revolution which shall become a conspicuous date in history unless the sober-thinking people awake to an imperiled inheritance." In another place he says:

"A people who have been self-governing by constitutional processes whose credit has extended around the earth with their commerce and manufacture, whose aberrations and obliquities in comparison with their general character are as spots on the sun this people is being hunted along every railway, into every corporation, over every highway of trade by their President. In Heaven's name what a spectacle in free constitutional America! It would disgrace a South American Republic."

Passages might be quoted from almost every page to show that Chancellor Day is decidedly excited over the state of the country, and to account for the excitement he has caused here among the friends of the administration. There are rumors that the President was first inclined to make a reply that would have been just as sizzling as Dr. Day's charges, but that it was finally decided that this would be undignified and that it would be better to let some prominent supporter of the administration take up the matter.

It is generally understood that Senator Beveridge is the man who has been selected to cross swords with the Syracuse University president. The Indiana Senator was one of the first to read the book.

"It is one of the strongest pieces of controversial writing I ever read," he immediately said. "I should like to reply to it."

A man who is in close touch with administration circles is authority for the statement that negotiations have already begun with D. Appleton & Company, the publishers of the Day book, to bring out a reply by Senator Beveridge and that this will make its appearance soon after the first of the year.

### GRILL HANGED.

SAN QUENTIN PRISON, CAL., Nov. 8.—A. J. Grill, a Sonoma county murderer, was hanged here at 11 o'clock this morning. The condemned man was on

the verge of collapse when the trap was sprung, and had the execution been delayed a few moments it would have been necessary to hold him up. He maintained his innocence to the last. Grill was pronounced dead 14 minutes after the drop fell.

The condemned man was accompanied to the gallows by two priests and the death watch. Immediately after the reading of the death warrant Grill's arms were pinioned and he was led to the gallows, the priest's preceding him, reciting prayers for the dying. The moment Grill stepped on the trap he began to sway, but the work of strapping his legs was quickly completed and the trap was sprung as Grill seemed about to topple over.

### GRILL HANGED.

WASHINGTON, D. C., Nov. 8.—In connection with the omission of the words, "In God We Trust" from the \$10 gold pieces, first to be minted of the new coins designed by the late Augustus St. Gaudens, under the general direction of President Roosevelt, it is said these words will be left off United States money of all denominations, according to the design approved by the president.

It could not be learned definitely at the treasury department who was responsible for the omission of the words, "In God We Trust," but it is understood that the department has had nothing to do with the change in coin designs except to carry out the orders of the president.

### WAS FORMER PRESIDENT.

Vicissitudes of Dr. Bonilla Who Was Succeeded by Enemy.

NEW YORK, Nov. 8.—Dr. Policarpo Bonilla, former president of Honduras, who is one of the republic's delegates to the Central American Peace Conference to open at Washington next week, is staying at the Waldorf-Astoria.

The appointment of Dr. Bonilla to his present important mission is illustrative of the kaleidoscopic politics of those countries. He was president of Honduras about seven years ago and after an unusually successful administration was succeeded by General Krenco Sierra. Since then Dr. Bonilla has experienced some exciting vicissitudes. One of these was being sentenced to death by his namesake, Manuel Bonilla, who succeeded General Sierra as president. The two Bonillas are not related.

Today Manuel Bonilla, who was deposed from the presidency last February, is in exile and his enemy, whom he imprisoned, is representing Honduras in an important capacity. Dr. Bonilla said today that he hoped the Washington conference would result in a permanent peace in Central America and that Honduras would do all in her power to facilitate that hoped for consummation.

### HOLD UP STAGE.

Two Masked Highwaymen Think to Find Gold.

DILLON, Mont., Nov. 8.—Word reached Dillon yesterday that the stage coach running between Salmon, Idaho, and Red Rock, this county, was held up by two masked highwaymen as it was nearing Midway, at the summit of the Rocky Mountains. The bandits apparently thought the coach was conveying out a consignment of gold from the Salmon country for they commanded the driver to throw off the strong box. While one man kept Driver Walter Colson covered with a six shooter the other climbed on the coach and searched it. Finding nothing of value, he dismounted and Colson was commanded to drive on. Not a shot was fired and the men did not attempt to rob the driver nor the one passenger. The gold had left on a previous coach.

### He Fought at Gettysburg.

David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: Electric Bitters have done me more good than any medicine I ever took. For several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 for what they have done for me. Grand tonic for the aged and for female weaknesses. Great alternative and body builder; best of all for lame back and weak kidneys. Guaranteed by Charles Rogers & Son, druggists. 50 cents.

### A Hard Debt to Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equalled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Charles Rogers & Son, druggists. 50 cents and \$1.00. Trial bottle free.

## MUST DRESS WARM.

Noted Authority Gives a Simple Home Prescription.

Now is the time when the doctor gets busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that Rheumatism and Kidney trouble weather is here, and also tells what to do in case of an attack.

Get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces Compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a teaspoonful after meals and at bedtime.

Just try this simple home-made mixture at the first sign of Rheumatism, or if your back aches or you feel that the kidneys are not acting just right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of Rheumatism, which is caused by uric acid in the blood, which the kidneys fail to filter out. Any one can easily prepare this at home and at small cost.

### Indigestion, Rheumatism, Diabetes, Kidney Diseases, Bladder Troubles, Liver complaints.

#### A SURE KIDNEY AND LIVER CURE

Have you healthy kidneys? If not, you will soon be attacked with that terrible Diabetes, Bright's Disease, Gravel, Dropsy or Rheumatism, and your health and happiness ruined. We have the only treatment that is a sure cure for the dreaded Bright's Disease, Diabetes, and all other forms of Kidney and Bladder Troubles. If your kidneys are not healthy, if the bladder is inflamed and weakened, urine highly colored or cloudy, smarting in passing, pains in back, nervous, languid, depressed, weakened in body and mind, bowels constipated and digestion bad, write for a box of Herington's Tablets and be cured.

RHEUMATISM is caused by an excess of uric acid in the blood. Ask any reputable physician, ask your family doctor, and he will tell you that the Uric Acid must be dissolved and drawn from the system before the disease yields.

### What Causes Rheumatism

Now we say that the only medicine known that will actually dissolve this Uric Acid and carry it out of the body is Herington's Tablets. Local applications such as liniments, electricity, massaging, etc., will afford temporary relief only, and is time wasted to the injury of the patient, unless constitutional treatment is carried on at the same time. Why? Because the malady is a disease of the blood, and the blood must be freed of the cause—or no cure can follow.

WRITE TODAY—Fill in the coupon printed below and send it to us with 25 cents. We will immediately mail to you a liberal sized box of Herington's Tablets. If they fail to CURE you we will return your money as willingly as we took it. Our guarantee is, NO CURE, NO PAY.
